MUSEUM OF ICE CREAM

The image shows the exterior of the Museum of Ice Cream in Singapore at night. The building is a long, low structure with a dark tiled roof. A prominent red canopy runs along the front of the building, supported by red pillars. The words "MUSEUM OF ICE CREAM" are displayed in large, white, illuminated letters above the canopy. The building's facade is lit up with a warm orange glow. In front of the building is a paved area with a low red railing and several yellow directional signs. The background features dark silhouettes of trees against a deep blue night sky.
